MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

INTRODUCTORY COMMENTS

This is in response to the non-final Office Action dated September 29, 2004 (Paper No. 20040903), for which a response was due on December 29, 2004. Filed herewith is a Petition and fee for a three months extension of time, thereby extending the deadline for response to March 29, 2005. Accordingly, this response is timely filed. Reconsideration and allowance of the pending claims in light of the remarks presented herein are respectfully requested.

Correspondence Address begins on page 2 of this paper.

Conclusion begins on page 11 of this paper.

CORRESPONDENCE ADDRESS

Note that Applicant earlier filed in this case on May 8, 2003, a Revocation Of Prior Power Of Attorney and Power Of Attorney In Prosecution By Assignee showing a new correspondence address, which is:

Norman R. Klivans, Jr.
MORRISON & FOERSTER LLP
755 Page Mill Road
Palo Alto, CA 94304-1018

The present Office Action erroneously was addressed to Skjerven Morrill LLP and hence was not forwarded, Skjerven Morrill LLP having gone out of business in early 2003. That accounts for the needed time extension in this case. It is requested that the Patent Office update its records to show the proper correspondence address. See the enclosed paper.
